

FREE Virtual Training for All School Districts!

FREE remote learning and training apps and resources available to schools in all districts from **July 15, 2020 – November 30, 2020.**

To help your certified and non-certified staff prepare for the upcoming school year, Five Points has partnered with MyBenefitsChannel (MBC), the [Lewis Thomason](#) law firm, and [LeaderU](#) to provide your school with a **FREE** suite of cutting-edge education and training apps that give you access to valuable resources and content.

MBC education and training apps save money

- Eliminates the need to budget for in-person speakers or trainers
- Affordable buy-up courses from [Lewis Thomason](#) education lawyers [Chuck Cagle](#) and [Chris McCarty](#) on topics like COVID-19 and Personnel Issues, COVID-19 and Student Issues, and Title IX Updates for New Rules.

One Source for Simple, Smart Training Solutions

- **A resource-rich library with content that is customizable**

- Over 150 courses, including those required or recommended by state departments or statutes
- Course topics include OSHA & Safety, Stress Management, Sexual Harassment, Drug-Free Workplace, Bullying, Federal Programs, Food Allergy, Teacher Ethics, and more
- Content from resource partners, including [LeaderU](#), [Lewis Thomason](#), and more
- Courses in development include Coaches/Small Group in Pandemic, Homebound Remote Learning, ESL Remote Learning, Open Education Resources, Literacy and Dyslexia, CDC Safety in Pandemic, FFCRA Leave Requirements, Trauma, and more

- **Easy-to-use self-service or admin-led options**

- Easy setup and support provided by MBC's implementation team
- Your choice of digital training: self-guided/online, in-person events, or a hybrid method
- Online scheduling for in-person training, includes automated wait-listing and capping for social distancing requirements
- Prioritize course selections and assign due dates
- Assign courses by position, location, and more, so employees train only on the content they need
- "FastPass" check-in for in-person events using barcode scanning technology — no more headcounts

- **Automated professional development tools**

- Automatically notifies designated approver when credits are entered
- Review, approve, or reject training if it doesn't fulfill requirements
- Centralized location for storage and management of CEU credits
- Reports make it easy to submit credits to the Department of Education
- Tracks training year over year

- **Be audit ready with powerful reporting**

- Certificates of completion for every course
- Administrative report showing who completed courses and when
- Easily follow-up with those who are falling behind
